

MPH Pricing Policy Effective 5/1/2023

OFFICE VISITS:

- All new patient consultations and evaluations are \$250. All new patient consultations are done with an MPH provider. A 50% deposit is required to reserve your appointment.
- Established patient follow-up visits with an MPH provider are \$150.
- Provider phone calls beyond 15 minutes will require an office visit of \$150.

IV KETAMINE INFUSIONS:

- MPH charges \$500 per infusion of ketamine. Most patients require 8 infusions for initiation and on average one booster every 4-6 weeks.
- This is inclusive of any additional medications one may receive during an infusion (does not include NAD+)

PSYCHOTHERAPY:

- All patients will have one free preparation session with one of our therapists.
- A 50-minute therapy session is \$125.

KETAMINE ASSISTED PSYCHOTHERAPY (KAP):

- Ketamine Assisted Psychotherapy sessions are priced as follows:
 - \$200 when our therapists sit in on an IV ketamine session in addition to the infusion fee
 - \$325 when the patient takes oral ketamine during a therapy session (2.5 hrs)
 - \$600 when our therapist guides an intramuscular (IM) ketamine session (2.5 hrs)
 - \$125 for follow up integration therapy sessions (50 minutes)
- *Patients must have at least two preparation therapy sessions before an KAP session can be scheduled. Total number collaboratively decided between therapist and patient.

CREDIT CARD AUTHORIZATION:

- All patients must have a Credit Card on file.

CANCELLATION POLICY:

- Any appointment canceled with less than 24 hours notice will be charged 50% of the visit fee.
- Exceptions will be made for medical or family emergencies.
